JOINT STATUS REPORT

Pursuant to the Court's Order dated January 23, 2012 (Dkt. #16) staying this matter, the plaintiff Standard Innovation Corp. ("Standard Innovation") and defendants Leloi AB *et al.* (collectively referred to as "LELO") hereby submit this joint report on the status of the related ITC Investigation No. 337-823 (the "ITC Investigation") which was the basis for the stay of this suit.

The ITC Investigation remains active and ongoing. At this time, the parties are preparing for trial which should start this month. A pretrial conference has been scheduled for August 21, 2012. The trial is scheduled to start immediately after the pretrial conference and continue through August 24, 2012. The target date for completion of the ITC Investigation is May 10, 2013.

On June 26, 2012, Standard Innovation and LELO, as well as the other respondents in the ITC Investigation, engaged in a third settlement conference.

Standard Innovation has been able to reach agreements with most of the respondents in the ITC Investigation. However, Standard Innovation and LELO have been unable to reach an agreement and will be proceeding to trial later this month in the ITC Investigation.

Respectfully submitted,

Date: August 2, 2012
